Detailed Action

Claims Objection

Claims 1-2 are objected to because of the following informalities:

In claim 1, line 29, "high twisting gear set" should read --the high twisting gear set-- since it refers to the one previously cited.

Appropriate correction is required.

Claims Rejection - 35 U.S.C. 112, second paragraph

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

- 2. Claims 1-2 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.
 - (1) In claim 1, lines 17-18, "the third following gear" has no antecedent basis.
 - (2) In claim 1, line 19, 'the fourth following gear" lacks clear antecedent basis.
 - (3) In claim 1, line 25, "the knife" has no antecedent basis.
 - (4) In claim 1, lines 28-29, "the periphery" is vague and indefinite.
